

The Wirral Tree Warden Network

invites you to become a member to help us in

- ♣ Speaking up about the importance of trees, hedges & woods;
- ♣ Working with other organisations helping trees, woodlands, orchards, hedgerows & wildlife to thrive, improving our environment and helping to check the crises in biodiversity & climate;
- ♣ Keeping an eye on the health of trees in our landscapes and urban areas and monitoring for any threats to them;
- ♣ Keeping Wirral's Tree, Hedgerow & Woodland Strategy on track. Wirral's Tree Wardens were vital in creating the strategy and we're regarded as leaders in the UK;
- ♣ Providing help, support and information for neighbours and other groups in the community to share their concerns over trees in their areas, to collect tree seeds, plant trees & hedges and look after them.

- ♣ The Network provides the framework for many of our members to volunteer as tree wardens for their area.

We are the Wirral Tree Warden Network, an independent voluntary group affiliated to Wirral Environmental Network and to the Tree Council, a national charity which brings together those who work & campaign for the love of trees

Tick if Payment by Cheque/post BACS cash

All members help the network undertake their work in line with the Tree Council's National Scheme for Tree Wardens and with the priorities that members though the network committee set locally for activities, campaigns and raising awareness about trees.

Wirral Tree Warden Network is self-funding and asks for an annual subscription of £10.00 per person for network costs.

Cheques payable to: Wirral Tree Warden Network

You can also pay by online banking, directly by BACS to Wirral Tree Warden Network, @ Santander, Sort Code Number: 09-01-29 - A/C 36975569. please mark your BACS as "M + your surname," and that way we'll know that bank payments are for your membership.

Please can you send the membership form (opposite) and cheques to the **Treasurer, Wirral Tree Warden Network**, c/o 68 Durley Drive, Prenton, Wirral, CH43 3AZ

Email: WirralTreeWardens@hotmail.com

You can also find out more about what a tree warden does at <https://treecouncil.org.uk/take-action/volunteer-tree-wardens/>

The Tree Council is a national charity, bringing together everyone with a shared mission to care for trees and our planet's future. To do this and to create positive, lasting change at a national and local level, it works with people, organisations, governments & communities across UK.

Wirral Network's facebook page is at <https://www.facebook.com/WirralTreeWardens> and our website is temporarily at <https://pdellwand.wixsite.com/wirraltrees>

PRIVACY & Data management statement:

Our network require members to provide their personal details so they can be notified about events and volunteer activities.
